

# Curriculum vitae

## Jodi Kelehear

Senior Environmental Scientist

Jodi's experience includes the project co-ordination and management of multidisciplinary environmental assessments and development of environmental management plans for mining and extractive developments, transport and services infrastructure, sewerage, landfill/ waste management, and ethanol production facilities.

Most recently Jodi has either project managed or co-ordinated the following mining projects:

- Carrington West Wing Environmental Assessment (Coal & Allied);
- HVO North Pipeline Environmental Assessment (Coal & Allied);
- Abbey Green North Statement of Environmental Effects (Coal & Allied);
- Rasp Mine Environmental Assessment (CBH Resources); and
- NRE No. 1 Colliery Environmental Assessment (Gujarat NRE Minerals Ltd);

Jodi has previously completed an honours program in partial fulfilment of a Bachelor of Science (Advanced Science-Environmental Science) with honours in Geography. She achieved first class honours with the highest mark in her graduation year and the second highest mark for the history of the course.

### Fields of competence

- Design and implementation of field-based monitoring and assessment projects.
- Environmental planning and impact assessment.
- Project coordination/management.

- Oral and written presentation.

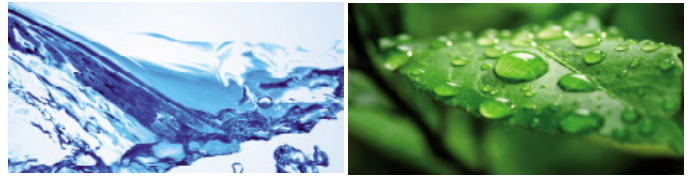

### Key Industry Sectors

- Mining
- Water
- Ethanol Production

### Education

- Bachelor of Science (Advanced Science – Environmental Science) with 1st class Honours, University of NSW, Australia.

# Curriculum vitae

## Jodi Kelehear

Senior Environmental Scientist

### Key Projects

#### Environmental impact statements (EIS) and environmental assessments (EA):

- Carrington West Wing modification EA (Coal & Allied).
- NRE No. 1 Colliery underground mining EA (Gujarat NRE Minerals Ltd).
- HVO North water pipeline construction EA (Coal & Allied).
- Rasp Mine EA (CBH Resources).
- Glennies Creek Colliery Longwalls 7 to 9 EA (Integra Coal).
- EA for development of coal seam gas fields and the Gladstone LNG facility (BG Group).
- Light Horse waste management and landfill facility EA (Dial-a-Dump Industries).
- Condobolin, Coleambally, Oaklands ethanol production facilities EAs (Agri Energy Limited).

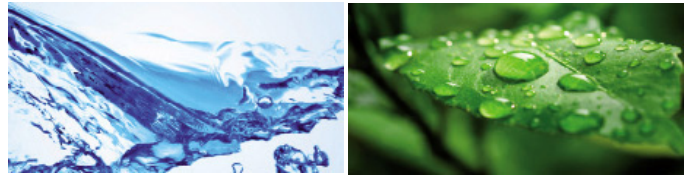

#### Reviews of environmental factors (REF) and statements of environmental effects (SEE):

- Abbey Green North modification SEE (Coal & Allied).
- Sewer Rehabilitation Program 2006-2009 and 2009-2012 REFs (Kembla Watertech Pty Ltd) (NB. Jodi has prepared more than 70 REFs for this project).
- 12 REFs for rehabilitation of the North Georges River Submain (Sydney Water).

#### Environmental management plans (EMP, CEMP and SMP):

- Glennies Creek Colliery Longwalls 7 to 9, SMPs (Integra Coal).
  - Ashton Coal Mine Longwalls 1 to 4, SMPs (Ashton Coal, 2006).
  - Sewer Rehabilitation Program 2006-2009 and 2009-2012 CEMPs (Kembla Watertech Pty Ltd) (NB. Jodi has prepared more than 70 CEMPs for this project).
  - 12 CEMPs for rehabilitation of the North Georges River Submain (Sydney Water).
  - Nalco Stormwater Management Plan (Nalco Australia Pty Ltd).
  - Swan Hill Ethanol Facility, Environmental Improvement Plan (Agri Energy Limited).
-

# Curriculum vitae

## Jodi Kelehear

---

Senior Environmental Scientist

- Eden, Bega and Merimbula Sewerage Scheme OEMPs (Bega Valley Shire Council).
- Relocation of 171st Aviation Squadron to Holsworthy Barracks CEMP (Department of Defence).
- Wilpinjong Coal Mine transmission line CEMP (O'Donnell Griffin).

### Other environmental investigations

- Pre-mining baseline assessment of Bowmans Creek fluvial geomorphology (Ashton Coal Operations Pty Ltd).
  - Pre-mining baseline surface water and aquatic ecology monitoring at NRE No. 1 Colliery (Gujarat NRE Minerals Ltd).
  - Twenty year Master Plan for Defence operations at the Larrakeyah Darwin Naval Base, RAAF Base Darwin and Robertson Barracks (Woods Bagot).
  - Ashton Coal Mine, Fauna Survey (Ashton Coal Operations Pty Ltd).
  - Bathurst Sewerage Scheme, Pre-Feasibility Assessment (Bathurst Regional Council).
  - Bega Valley Shire Sewerage Scheme, Shire-wide Monitoring Plan (Bega Valley Shire Council).
-
